& Activities:**

Graduated with Distinction
Dean's List Every Semester
USAA-All American Scholar
Westlake Foundation Award Recipient
Alpha Epsilon Delta, Pre-Med. Honors Society
Poster Presenter - 1996 American Society
for Microbiology National Meeting in New Orleans
Greater Atlanta Fencing Tournament Medalist (1995)
Numerous Club and Intramural Athletic Involvement

Work Experience:Surgeon Champion, 2014-2019

Illinois Surgical Quality Improvement
Collaborative American College of Surgeons,
NSQIP 2014-2018 Agency for Healthcare Research
and Quality Improving Surgical Care and Recovery
2018-2019 Rush-Copley Medical Center, Aurora,
IL

Consultant, 2005-2013

MEDACorp, Leerink Swann & Company, Boston, MA
Provide investment managers and Life Science company
managers information and analysis of emerging medical
products. Assess the viability of cutting-edge medical
technologies. Impart perspective on rising trends in the
Orthopaedic and healthcare industries.

Visiting Scientist, Summer 1998

Actinomycetes Reference Laboratory
Centers for Disease Control and Prevention, Atlanta, GA
Used DNA-DNA hybridization, 16S rRNA sequencing, DNA
fingerprinting (ribotyping), PCR-RFLP, and numerous genetic
and phenotypic analyses to identify and classify emerging and
previously unknown species of rapidly growing Mycobacterium
species.

Research Scientist, 1996-1997

Respiratory Diseases, Immunology Section
Centers for Disease Control and Prevention, Atlanta, GA
Developed and evaluated the next generation of vaccines against
Pneumococcus through the use of opsonophagocytosis, ELISA,
and various functional assays. Assessed the clinical relationship
of functional antibody response to disease outcome in diverse
populations.

Research Assistant, Undergraduate Academic Years '93-'96

Special Bacteriology Reference Laboratory
Centers for Disease Control and Prevention, Atlanta, GA
Performed gas chromatography, gel electrophoresis, gram and
flagella stains, macroscopic morphology studies, and
hybridization to aid in the identification of unknown bacteria.
Developed, executed, and evaluated quality control procedures.

Academic Appointments:Instructor, 2006-2007

Department of Orthopaedic Surgery
Rush Medical College, Rush University
