TopGolf
2050 Progress
Pkwy
Schaumburg, IL

Please find
additional details
on the back of
this flyer.

What is the Research Foundation?

American Hip Institute Research Foundation (AHIRF) is a 501(c)(3) non-profit organization that conducts clinical research in conjunction with American Hip Institute. This research is the reason our clinic can offer such innovative surgeries and treatments! With over 400 publications in academic journals and presentations given at conferences around the world, AHIRF has had a significant impact on the world of hip surgery. We aim to only continue leading the field of Hip Surgery and Joint Preservation forward utilizing innovation, research, and education, while also providing compassionate care for our patients.

How Does my Donation Contribute to Research?

Donations like yours are what make our research possible! These contributions allow us to have access to the resources and materials we need to gather and analyze clinical data. This data serves as the foundation for all the research we conduct, which ultimately is the reason we can provide trustworthy and high-quality care. In addition, your contribution ensures that the staff of the Research Foundation are provided with the support they need to provide valuable research outcomes.

Notes on the Event

- Once you make your donation, you will receive a confirmation email for the event. This will serve as your ticket.
- We understand that the weather may be a concern, and we do recommend layering for winter temperatures. However, please be assured that the golfing area has space heaters that provide substantial warmth, and there will be an indoor area to eat and relax right next door!
- Golfing will be available at your leisure. If you feel like stepping away, you don't need to worry about others being unable to take their turn.
- Please contact dina.vavarutsos@americanhipinstitute.com with any questions you may have!

Can't Attend, but Still Interested in Supporting?

You can donate to AHIRF on our website! Please see the donation link below. As a 501(c)(3) non-profit organization, your gift is tax-deductible as allowed by law.

We also encourage you to check out our website to learn more about AHIRF! This site exists as an educational tool for patients, surgeons, and healthcare providers. It also contains our publications and recent innovations.
